

Election Day Transportation
Do You Need a Ride? Can You Provide a Ride?

We are arranging Election Day transportation to make sure Montana voters with disabilities make their votes count.

If you need a ride, please call the toll-free, **Disability Rights Montana Election Hotline (866) 790-VOTE (8683)**. Or fill out the form below and send it to us.

If you can provide rides for voters on Election Day (Tuesday, November 4, 2008) and have a vehicle that can transport people with disabilities, please contact us. We provide a stipend and reimbursement for your mileage for every voter you help.

We'll connect the riders with the providers if you give us your information. Please fill out the form below or call us.
