Voter was irritable and in a hurry during the survey - he was upset that we did not recognize that the signature was his. He thought it was "ridiculous" that we determined it a mismatch so he was annoyed and didn't want to do anything to resolve it. His suggestion: find a better way than a signature to verify ballots	Voter was irritable and in a hurry during the survey - he was upset that we did not recognize that the signature was his. He thought it was "ridiculous" that we determined it a mismatch so he was annoyed and didn't want to do anything to resolve it. His suggestion: find a better way than a signature to verify ballots
