

BEFORE THE DEPARTMENT OF FISH, WILDLIFE AND PARKS
OF THE STATE OF MONTANA

In the matter of the adoption of a)
temporary emergency rule closing the) NOTICE OF ADOPTION OF A
Kinsey Bridge Fishing Access Site in) TEMPORARY EMERGENCY RULE
Custer County)

TO: All Concerned Persons

1. The Department of Fish, Wildlife and Parks (department) has determined the following reasons justify the adoption of a temporary emergency rule:

(a) The Yellowstone River is flooding into the Kinsey Bridge Fishing Access Site (FAS).

(b) Persons recreating in the flooded portion of the FAS are at risk of:

(i) drowning due to unexpected changes to topography obscured by flood waters; or

(ii) drowning due to swift current created by flood water.

(c) Therefore, as this situation constitutes an imminent peril to public health, safety, and welfare, and this threat cannot be averted or remedied by any other administrative act, the department adopts the following temporary emergency rule. The emergency rule will be sent as a press release to newspapers throughout the state. Also, signs informing the public of the closure will be posted at access points. The rule will be sent to interested parties, and published as a temporary emergency rule in Issue No. 12 of the 2013 Montana Administrative Register.

2. The department will make reasonable accommodations for persons with disabilities who wish to participate in the rulemaking process and need an alternative accessible format of the notice. If you require an accommodation, contact the department no later than 5:00 p.m. on July 5, 2013, to advise us of the nature of the accommodation that you need. Please contact Jessica Snyder, Fish, Wildlife and Parks, 1420 East Sixth Avenue, P.O. Box 200701, Helena, MT 59620-0701; telephone (406) 444-9785; fax (406) 444-7456; or e-mail jesssnyder@mt.gov.

3. The temporary emergency rule is effective June 3, 2013 when this rule notice is filed with the Secretary of State.

4. The text of the temporary emergency rule provides as follows:

RULE I KINSEY BRIDGE FISHING ACCESS SITE TEMPORARY EMERGENCY CLOSURE (1) The Kinsey Bridge Fishing Access Site is located in Custer County.

(2) Kinsey Bridge Fishing Access Site is closed to all public occupation and recreation as signed.

(3) This rule is effective as long as water is flooding the fishing access site.

(4) This rule will expire as soon as the department determines the fishing access site is again safe for occupation and recreation. This will depend on the

extent and duration of the flooding in the area. Signs closing the fishing access site will be removed when the rule is no longer effective.
