

**ATTENTION NOTARIES!** The training classes you've been asking for...

There's more to being a notary public than pressing a seal onto a page. To help clarify your responsibilities and duties as a Notary Public for the State of Montana.

THE MONTANA SECRETARY OF STATE AND THE MONTANA NOTARY GUILD  
PROUDLY PRESENT

## Signed and Sealed: Notary Necessities

This seminar is designed for those who:

- Have been a notary public for years
- Have just received their first commission
- Are thinking about becoming a notary.

The interactive four hour course covers the statutory regulations and responsibilities of a notary public. It also focuses on the elements of a proper notarial block.

We **dispel the myths, explain the realities, and give notaries the information they need to** confidently perform as a Notary Public for the State of Montana.
