WHY should I file online?

SIMS (BE) will make filing business documents more efficient, convenient, and will be accessible 24/7.

Not a computer person? No problem. You can still file paper documents.

Simply File Online

DID you know?

Our office currently processes

~315,000

paper business filings a year.

That's a lot of paper!

Time for an upgrade!

Our current paper-based legacy business system was created in

1977

Today filing a typical paper business document may take **weeks** to complete.

After launch, you'll be able to do it online in **minutes!**
